About the College: *Geethanjali College of Engineering and Technology (GCET) was established in the year 2005 and is well-equipped with cutting edge infrastructural facilities and modern laboratories. It has highly competent and dedicated faculty providing holistic development of its students. The college has been recognized as a Scientific and Industrial Research Organization (SIRO) by DSIR. The college offers undergraduate programs in engineering branches, namely, Computer Science Engineering (CSE), CSE-AIML (Artificial Intelligence & Machine Learning), CSE-DS (Data Science), CSE-CS (Cyber Security), CSE-IoT (Internet of Things), Civil Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Electronics and Communication Engineering, and postgraduate programs, namely, MBA and M. Tech in Computer Science. The college has been conferred "Autonomous" status by UGC since 2016. GCET is accredited with "A+" grade by NAAC in 2022. All eligible UG Programs are accredited by NBA. The college is approved by AICTE, affiliated to JNTUH, Hyderabad and certified by ISO 9001:2015. The College has executed research projects to the tune of 15 million Indian Rupees funded by DRDO, DST etc.*

Aim of the Workshop: *The workshop aims to provide a platform to academic leaders and senior administrators of various professional colleges for interaction with professional experts, administrators from various fields. The resource persons for the workshop are all having rich experience and have been chosen not only from India, but also from abroad. It is expected that the participants will immensely benefit from the deliberations of the workshop.*
